

Pro *Alberto Brandi*

I was born in Turin in 1986. I started playing golf at the age of 10 and, as an amateur, competed in several national and international tournaments representing Royal Park Golf in Turin. In 2008, driven by my strong passion for golf, I turned professional and attended the National Golf School in Rome, where I completed my training as a Golf Instructor in 2011. I began my teaching career in 2008 at Royal Park Golf, where I worked until 2018, achieving several Italian national titles as a coach. Between 2009 and 2012, I competed in numerous professional tournaments on the Alps Tour. This experience significantly contributed to developing my vision of the game and high-level coaching.

From 2019 to 2021, I worked at Golf Club Varese. I have attended numerous teaching seminars and continuously update my professional education through the Swiss PGA, of which I am a Full Member–Class A.

Since 2015, I have specialized in the use of TrackMan technology, which I integrate daily into my lessons to provide more accurate and personalized performance analysis. I also have ten years of experience and a diploma in Club Fitting and Making. In 2023, I obtained the Club Manager diploma from the National Golf School in Rome. Each year, I take part in several Pro-Am tournaments, maintaining constant involvement with competitive golf.

Since 2022, I'm part of the Lugano Golf Academy.

Interests

In addition to golf, I am a passionate car enthusiast. I am interested in technology and sports, enjoy traveling, and like listening to music.
